Ranchi: Fr John Berchmans Dungdung underwent a treatment for right leg tendon breakage yesterday in Jagarnath Hospital, Ranchi. He came to Ranchi from Assam for the treatment.

As reported by Br Telesphore Horo, while playing basketball with the school boys, he perhaps exerted much and broke his right leg tendon. Let it be known that tendons are the ones that bind muscles and bones. He was operated for it and is kept in ICU for few days. Jagarnath hospital is situated on radium road Ranchi.

Kindly pray for his speedy recovery.
