Ara Gate, 6 August,'19

Fr. Ernest Kujur, SJ was diagnosed with typhoid and was admitted in Seva Nilaya Hospital Ara Gate a month ago. He was advised to stay in the hospital and take a good rest. He was discharged from Seva Nilaya Hospital yesterday. He was brought back to Manresa House in the infirmary by Fr. Socius, the health minister of the Province. He looks cheerful, energized and healthy.

Along with Fr. Socius and Br. Telesphore Horo, two Sisters from the Congregation of Daughters of St. Anne, Srs. Lucy Soreng and Suchita Kujur (DSA) are serving the inmates of infirmary full time. Our sick members are well taken care by them.

Kindly pray for the speedy recovery of Fr. Ernest Kujur and John B. Dungdung.
